What is Title I?

East Hall Middle is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What it is?

This is a plan that describes how East Hall Middle School will provide opportunities to improve family engagement to support student learning. EHMS values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. The plan describes the different ways that EHMS will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

East Hall Middle School invited all parents to attend our Parent and Family Engagement Input Meeting last spring to review and revise this parent and family engagement policy, as well as the schoolwide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback through the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year.

Who is for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. EHMS will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the year, after the plan is revised, the plan is posted on the school website and the policy is emailed out to all families through either Remind or Infinite Campus. If additional copies are needed, parents can retrieve a copy of the plan in the East Hall Middle School front office. Contact Dr. Jamie Hitzges at jamie.hitzges@hallco.org or Irma Velez at irma.velez@hallco.org.

2023-2024 District Goals

- By the end of FY24, the percentage of students in each subgroup moving into the “Proficient” and “Distinguished” levels of performance on the Georgia Milestones Assessments will increase by 2% in the “Proficient” and “Distinguished” levels of performance.
- Increase the percentage of referred students who access school-based mental health services by 2% each year (with FY21 being the baseline year) to decrease the number of OSS days in grades 6-12.

2023-2024 School Goals

- By the end of SY24, 70% of students will achieve one year of growth as measured by HMH Reading Inventory.
- By the end of SY24, 3% of students in each grade level will increase Math EOGs achievement levels.
- By the end of SY24, the school-created survey measuring student socio-emotional wellness will increase by 3% comparing the beginning to end-of-year overall average score.

School-Parent Compacts

As part of this plan, EHMS and our families will develop a school-parent compact which is an agreement that the parents, teachers, and student will work together to make sure all our students reach grade level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during the Community Care event and the School Forum. The school-parent compacts also are shared with parents during parent-teacher conferences and kept with each child’s teacher if parents need another copy.

Get Connected!

EHMS will host the following events to build the capacity for strong family engagement to support a partnership among the school, parents, and the community to improve student academic achievement. All meetings for parents and family members will be held twice during the day—once in the morning and once in the evening.

Parent and Family Engagements

EHMS believes that family engagement means the participation of parents and family members in a meaningful two-way communication regarding student academic learning and other school activities including ensuring:

- That parents play an active and integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- The carrying out of other activities as described in this plan.

EHMS is committed to helping our parents and families attend the family activities listed in this policy. Please call or email us if you need assistance with child care or transportation in order to participate in our programs.

Get EHMS is Reaching OUT!

EHMS will take the following measures to promote and support parents and family members as an important foundation of the school in order to strengthen the school and reach our school goals. We will:

- ◆ Ensure that all information related to school and parent programs, meetings, and other activities is published in both English and Spanish, posted on the school website, and included in the newsletter for all families.
- ◆ Canvas professional development modules are used four times a year to train school personnel on strategies to improve communication with parents and provide ideas to increase family engagement.
- ◆ Partner with early childhood programs, middle and high schools, college and career ready resources or organizations, parent resource centers, or other programs (as applicable) to help prepare parents and their children for successful school transitioning.
- ◆ Share information in English and Spanish on the school website and in the school newsletter for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress.
- ◆ Communicate with all families and the community on a regular basis regarding schoolwide events and activities, through phone messages, social media, flyers, and newsletter posts.
- ◆ Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve achievement.
- ◆ Collect feedback from parents and family members at all events and post a suggestion form on the school website in order to respond to parents' requests for additional support for parent and family engagement activities.

Parent and Family Engagement Standards

East Hall Middle and our parents have adopted the National PTA Standards for Family-School.

Partnerships as the school's model in engaging parents, students, and the community. These standards are:

- Welcoming All Families
- Communicating Effectively
- Supporting Student Success
- Speaking Up for Every Child
- Sharing Power
- Collaborating with Community

School Community Team

EHMS invites all parents to join the School Community Team to share ideas and ways to involve other parents and family members to build partnerships with school, families, and the community. The team will meet four times during the school year, but parents and family members can also submit their ideas or suggestions at any school activities and meetings, as well as through our parent surveys and website. If you would like to learn more about the School Community Team, please contact the Dr. Jamie Hitzges, Principal at (770)531-9457 or complete the interest form and leave it in the Main Office.
