Revised June 18, 2025

Our Goals for Student Achievement

District Goals

By the end of FY26, the percentage of all students moving into the “Proficient and Distinguished” (combined) levels of performance on the Georgia Milestones Assessments will increase by 2%.

By the end of FY26, increase the percentage of referred students who access school based mental health services in order to increase the overall school climate rating for HCSD by 1% (from 86.74 to 87.74).

School Goals and Focus Areas

By the end of SY26, the MAP ELA and Math growth percentiles will increase by 5% from the beginning to MAP end-of-year assessments.

By the end of SY26, students will increase their expressive language by 3% as measured by ACCESS scale score comparison summary in speaking and writing.

By the end of the 2025-2026 school year, the number of externalizing students on the Strengths and Difficulty Questionnaire (SDQ) survey measuring student socio-emotional wellness will show a 2% decrease, comparing the beginning to end-of-year percentage.

Teachers, Parents, and Students... Together for Success!

School/Teacher Responsibilities:

- Send an electronic school newsletter is sent at each progress and grade reporting time to communicate information about what students are learning in each subject at each grade.
- Host a curriculum night for parents to learn how to help their children be successful with homework, develop healthy study habits, and access a multitude of resources to support learning in each academic content area.
- Hold monthly parent workshops to provide strategies to support students’ academic learning at home.
- Provide access to Canvas, the district learning management system, as additional support for students and families at home.
- Provide parents with reasonable access to staff to discuss their child’s progress as well as the opportunity to schedule parent-teacher conferences.

Family Responsibilities:

- Read the electronic newsletter on the school website or request a print copy from the front office if needed.
- Attend the parent workshops and practice the strategies (math vocabulary, word problems, comprehension skills, reading strategies, etc.) we learn at home to help support our children’s academic learning.
- Use the electronic and/or print resources EHMS provides for parents in English and Spanish on a variety of topics such as: reading strategies and comprehension, math and reading vocabulary, word problems, etc. designed to build our capacity to help our students learn.
- Use Canvas and Infinite Campus to access learning materials, monitor grades, and ensure that our children are completing and turning in assigned work.
- Contact the teacher by phone or email or request a conference at any time we wish to discuss our children’s academic progress.

Student Responsibilities:

- Monitor our progress toward mastering the standards
- Use the resources and content provided in Canvas to learn the content and show our parents what we are learning
- Complete all assigned work to the best of our ability and ask for help when needed
- Encourage our parents to use the electronic and/or print resources provided for parents in English and Spanish to help them help us at home
- Practice and engage in Math and Reading skills; such as: reading comprehension and strategies, math and reading vocabulary, and word problems at home.

Follow our Viking Values for a successful school year. Prepared. Respectful. Integrity. Dependable. Excellence. Use Your Talents to Make a Positive Difference!

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home. This compact will:

- Link to academic achievement goals.
- Focus on student learning
- Share strategies that staff, parents, and students can use.
- Explain how parents and teachers can communicate about student progress.
- Describe opportunities for parents to be involved in their child's academic life, provide input to EHMS, and to be active members of the school community.

Jointly Developed

The parents, students, and staff of East Hall Middle School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is used as a tool to collect parent feedback regarding the current Title I programs and policies.
